City Manager Report

To: Mayor and City Council

From: Steve Rasmussen, City Manager

Date: September 21, 2020

Re: Manager's Report

August 17th Ribbon Cutting. Just as a reminder, the ADA Fishing Deck at Sunrise Lake that the City partnered on with Rotary Club is finished. Rotary will hold their Monday September 21st meeting at the deck. There will be a ribbon cutting celebration there at 12:30 and the Public is invited.

Building Safety Work Session. Given recent building safety events, this issue has received renewed urgency. To that end, The City Council will conduct a Work Session on Monday, September 28 to discuss this issue.

MML. As everyone knows, the City received the MML Innovation Award this year as well as the Member's Choice Award. These were presented to us virtually at the MML Awards Luncheon on Tuesday, and several staff members and I viewed it. Congratulations to the Council and Staff for establishing this program, advertising it, and receiving this prestigious award.

Animal Care Facility. The Grand Opening of the new Animal Care Facility is tentatively scheduled for October 16th. As we get closer to the date, we will get out a more detailed schedule for this day, but for now please try to keep some time open mid-day for this event.
