RESOLUTION 2020-32

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: September 21, 2020

RE: **Public Right of Way Dedication – Elm Street**

PURPOSE

The attached resolution authorizes the Mayor to accept a tract of privately-owned property for permanent public right-of-way along Elm and 4th Street.

BACKGROUND

Elm Street is one of the projects identified for funding through the Transportation Improvement Tax. One of the first steps of the project is to obtain the necessary right-of-way for the construction of new infrastructure along the proposed roadway. We have not started design nor has this project even been scheduled for design.

There is only one tract of property described in this resolution from the Dale & Sue Buckmaster Trust. Unique to this agreement is the City will maintain all of this property until a permanent roadway is established. This clause is included since this is a larger parcel, the project is not scheduled, the current conditions and preliminary city work will make it difficult to maintain.

RECOMMENDATION

Recommend the Council adopt the attached resolution authorizing the City Manager to accept the property along Elm Street for permanent public right-of-way.
