RE: HDR Professional Services Agreement

Purpose

The City of Cameron's wastewater treatment plant will receive a new permit in 2022. In order to meet the limits outlined in the new permit, the City of Cameron will need to make upgrades to our existing facility. Improvements will need to be made to our headworks as well as adding disinfection. In January 2020, the Council engaged HDR to complete a facility plan and evaluate options. HDR has identified the necessary upgrade to meet our upcoming requirements and is ready to start design.

This ordinance would allow HDR to proceed with survey, design, geotech, and bidding. The City has an existing contract with HDR to provide these services. This would be completed under Task Order #10 at a not to exceed cost for engineering services of $678,720.

The City has also started working with DA Davidson to put together a funding package. The total estimated cost of the project is $4.3 million.

Recommendation

Staff recommends the following ordinance be passed and approved authorizing the City Manager to enter into a Professional Service Agreement with HDR for engineering services for headworks and disinfection improvements at the wastewater treatment plant.

Bill 2021-9

AN ORDINANCE AUTHORIZING THE CITY MANAGER OF THE CITY OF CAMERON, MISSOURI TO ENTER INTO A PROFESSIONAL SERVICES AGREEMENT WITH HDR FOR DESIGN SERVICES FOR WASTEWATER TREATMENT FACILITY IMPROVEMENTS

WHEREAS, the City of Cameron owns and operates its own wastewater treatment facility and provides services to the residents of Cameron; and

WHEREAS, the Cameron wastewater treatment plant is regulated by the Missouri Department of Natural Resources; and

WHEREAS, new permit limits will take effect in 2022 and plant improvements are necessary to meet these requirements; and

WHEREAS, design services require a qualified consulting engineer.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, MISSOURI AS FOLLOWS:

Section 1. The City Manager is hereby authorized to enter into an agreement with HDR for engineering services for headworks and disinfection improvements for the wastewater treatment plant. A copy of which is attached hereto and made a part hereof.

Section 2. The Mayor is hereby authorized to sign this Ordinance on behalf of the City of Cameron.

Section 3. The City Clerk is hereby directed to attest to the Mayor's signature.

Read two times, passed and approved on this 15th day of March 2021.
