Re: Manager's Report

COVID. Attached please find a current update on COVID 19 Statistics. While these statistics are encouraging, the County Health Department asks that we make no changes to our current requirements and recommendations to the public at this time.

City Manager Vacation. With the approval of the Mayor, I will be taking vacation days the week of March 22-26. Chief Bashor will be Acting City Manager on March 22 and 23, and Zac Johnson will be Acting City Manger on March 24, 25, and 26.

February Financials. Attached please also find the monthly financial report. All of the accounts are essentially on track but we will be going to ask for a budget adjustment at the May 3 Council Meeting.
