From: Mike O'Donnell, Fire Chief

Date: April 4, 2011

Re: Used 1999 Freightliner / Ferrara Fire Pumper Truck

Issue:

The Cameron Fire Department is in the process of replacing a 1986 Grumman Fire Pumper truck. The current Pumper has served the department well but is in need of the upgrade to a newer more modern Pumper. The department feels that a used Reserve Pumper will serve the community well. The department has searched for months for a replacement and has found a qualified 1999 model year Fire Pumper Truck at FireMaster Fire Equipment, Inc. in Springfield, Missouri. This Pumper meets and exceeds the criteria for selection. The net cost for the Pumper after trade is $127,442.55. The Cameron Fire Protection District will share in half the cost with the City of Cameron. The partnership with the Cameron Fire Protection District and the City of Cameron allows the Cameron Fire Department to provide modern firefighting equipment to the City of Cameron and the Fire District.

By arrangement, the Cameron Fire Protection District will forward to the City the total purchase price. The City will repay their half of the cost over three annual payments. The arrangement for the purchase is in the form of a loan from the Fire Protection District and has a 5.5% interest on the outstanding balance. The first payment will need to be included in the 2011-2012 budget and due on April 15, 2012. The total cost to the City will be $70,730.62 for our half of the purchase.

Recommendation:

Authorize the City Manager to execute any and all documents pertaining to the surplus of the 1986 Grumman and the purchase of the used 1999 Freightliner / Ferrara Fire Pumper Truck from FireMaster Fire Equipment, Inc., of Springfield, Missouri.

Bill 2011-33

AN ORDINANCE AUTHORIZING THE CITY MANAGER OF THE CITY OF CAMERON, CLINTON AND DeKALB COUNTIES, MISSOURI, TO SURPLUS A 1986 GRUMMAN FIRE PUMPER TRUCK AND SIGN AN AGREEMENT WITH FIREMASTER FIRE EQUIPMENT, INC. TO PURCHASE A USED 1999 FREIGHTLINER/ FERRARA FIRE PUMPER TRUCK IN THE AMOUNT OF $127,442.55

WHEREAS, there is a need to surplus and replace a 1986 Grumman Fire Pumper Truck; and

WHEREAS, the City of Cameron has located a used 1999 Freightliner / Ferrara Fire Pumper Truck at FireMaster Fire Equipment, Inc. in Springfield, Missouri; and

WHEREAS, the Cameron Fire Protection District will forward the total purchase amount to Cameron in the form of a loan and share equally in the cost. The City of Cameron will repay their equal share with 5.5% interest to the Cameron Fire Protection District over three annual payments; and

WHEREAS, this used Fire Pumper Truck will serve the growing needs of the City of Cameron.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Cameron, Clinton and DeKalb Counties, Missouri, as follows:

Section 1. The City Manager is hereby authorized to surplus the 1986 Grumman and enter into a purchase agreement with FireMaster Fire Equipment, Inc., of Springfield, Missouri, for the purchase of the used 1999 Freightliner / Ferrara Fire Pumper Truck in the amount of $127,442.55 as per the agreement attached hereto and made apart hereof.

Section 2. The City of Cameron will make three annual payments to the Cameron Fire Protection District for a total cost of $70,730.62 to cover their share of the purchase cost.

Section 3.The City Manager is hereby authorized to sign any ancillary documents.

Section 4. The Mayor is authorized to sign this Ordinance on behalf of the City of Cameron.

Section 5. The City Clerk is directed to attest to the Mayor's signature.

Section 6. This Ordinance shall be in full force and effect from and after the date of its passage and approval.

Passed and approved on first reading this 11th day of April 2011.
