BILL 2012-2

****** Second and Final Reading ******

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

SUBJECT: Airport Ground Lease

DATE: January 3, 2012

PURPOSE

The attached bill would authorize the City Manager to sign a twenty-year agreement with an option for a one-time extension of ten years, with Stearman Aviation LLC, for the lease of ground, Lot #1, located at the Cameron Memorial Airport.

BACKGROUND

All Lot leases specific to this project are the exact same. Therefore, this is the exact same lease approved for Burdg Way Air LLC at the previous meeting.

The City will lease the ground or "lots" for private construction of each individual hangar. There are certain pre-established building guidelines each must follow such as a minimum and maximum size, building materials, etc. However, there is still flexibility allowing each tenant to build the hangar to their specifications.

The base rate for Lots #1-#4 is $450 annually, and does provide for a cumulative annual rate adjustment. The term of the lease commences on the first day of the month following final Council approval. At the conclusion of the lease, all improvements become City property. During the term of the lease, all improvements to the ground are covered under the tenant's insurance.

RECOMMENDATION

We recommend that the Council adopt the attached bill authorizing the City Manager to enter into the agreement with Stearman Aviation LLC, for the long term lease of ground at the Cameron Memorial Airport.
