RE: **Annual Write-Off – Uncollectible Utility Accounts**

Issues

Council has the authority to write off bad debts. Staff has implemented an annual write off for uncollectible utility accounts. To that end, Ordinance 5189 was passed February 2005 allowing staff to write off for the first time a total past due of $406,740.83. The uncollectible utility accounts history is as follows:

2005	$406,740.83
2006	$32,504.38
2007	$60,914.42
2008	$81,513.21
2009	$94,628.65
2010	$32,216.41
2011	$32,023.08

Staff has again reviewed accounts and prepared the attached list for 2012 (totaling $33,645.46) for your consideration. The 2012 list contains accounts that are five (5) years old or older and have been sent to TransWorld System, Inc., a collection agency, for collection. Their efforts have not proven successful. TransWorld discontinues their efforts on accounts that have aged to this point.

In discussion with Staff, it is felt that the continued decreased dollar amount can be attributed to the increased customer deposit amounts [$150] which is applied to the delinquent accounts. This is the third year that the larger deposit has been in effect. Our diligent Staff and their hard work are certainly reflected in the decreased dollar amount that the City is writing off. In 2009, the number of "accounts" that were approved and written-off was 454; in 2010 there were 171 accounts written off; in 2011 the number has decreased to 144; and, in 2012 the number has decreased again to 125.

The number of accounts has steadily decreased; however, this year's dollar amount is up $1,622.38 with 19 less accounts involved.

Recommendation

Staff recommends approval of this bill following your review.
