The City Council of the City of Cameron, Missouri met in Regular Session on Monday, the 6th day of June 2011, at six o'clock p.m. at City Hall. Boy Scouts in attendance lead the Pledge of Allegiance to the flag of the United States of America.

Mayor Dennis M. Clark presided with the following Councilmembers present: Frank A. Buck, Mark L. Carr, Jerri Ann Eddins and David Fry. Absent: none.

Present were City Manager David Watson, Attorney for the City Mitch Elliott and City Clerk Barbara J. O'Connor.

Minutes of the May 16, 2011, meeting were approved as submitted with a unanimous voice vote on motion made by Councilmember Buck and seconded by Councilmember Carr.

PUBLIC PARTICIPATION

Julie Becker, 424 East Third Street, referenced the recent tragedy in Joplin where an EF-5 tornado destroyed a large portion of the city. Ms. Becker suggested organizing a central effort for future disasters. Mayor Clark noted the City of Cameron had responded to the Joplin disaster sending a number of police officers to assist in emergency management.

Andrew Carr, Boy Scout Troop 87, presented a slide show of his Eagle Scout tree farm project and thanked City Manager Watson and Public Works Director Bontrager for the opportunity to complete his project.

CITY MANAGER REPORT

1. Boards and Commission Appointments. Staff is preparing a report on the process used to appoint boards and commissions in the City of Cameron. The report will address terms, conditions of appointment and filling of vacancies. Staff plans to present the report to Council in July.

2. Sanitary Sewer Evaluation Survey (I&I). Engineers will be in the field this week inspecting manholes. The evaluation is proceeding as planned and should be completed by the end of the calendar or the year.
3. Recycling: Curbside and Drop-Off Center. Staff is talking with Clinco management about the possibility of Clinco operating our curbside program. A three (3) month trial period has been proposed with Clinco picking up of recycling City wide. Discussion was also held regarding the possibility of either closing the drop-off center located at Sutherlands or moving the center to property adjacent to Clinco. Clinco has not made a decision on the proposal at this time.
4. Impact Fee. City Manager Watson received the storm water management plan from engineer Mark Young. A committee meeting will be set up later this week to review the plan.
5. Pay Adjustment for City Council. By ordinance, the Council receives a pay increase equal to the Consumer Price Index. The increase for this year is 3.2 percent which was reflected in this quarter's payment. Council instructed Staff to review the ordinance and add the option for Council to decline the increase and/or receive the same percentage increase, if any, as the City employees. A bill will be presented at the June 20, 2011 Council Session for Council consideration.
6. Retirement. Development Director Shellby Hendee retired effective June 3, 2011. City Manager Watson said he does not recommend re-hiring the position of Development Director. Other cities have gone to a private/public partnership for the position and are getting away from having a city employee serving in that capacity. City Manager Watson said he will seek Council direction on the position.

Councilmember Eddins inquired about the delay in getting answers regarding the impact fees request. City Manager Watson said he has a large work load and has enlisted the help of Amy McVicker, Accounts Payable/Tax Clerk. A Committee meeting will be held this week regarding impact fees.

UNFINISHED BUSINESS

Code enforcement discussion will be placed on the June 20, 2011 agenda.

PROJECT UPDATE

City Manager Watson reviewed the "2010 Vision Revised Plan".

- Storm Water Management Plan and Program. A draft of the Storm Water Management Plan has been received and will be delivered to Council soon.

- Inflow and Infiltration (I&I) Improvement Plan. Work will begin this week with manhole inspections. Flow monitoring for the study is being done by Staff in an effort to be more cost effective.
- Walnut Street Improvements. The Missouri Department of Transportation is planning to mill and overlay Walnut Street in 2012. A sales tax has been discussed for storm water improvements. If the tax is successful, storm water work would begin on Walnut Street and could include blocks east and west of Walnut Street.
- Road Maintenance and Improvement Plan. Public Works Director Drew Bontrager presented an update in a joint committee meeting with the Budget/Finance Committee and the Street Committee. The Street Committee plans to finalize the Improvement Plan in June and more information will be coming to Council.
- Volunteer Resource Center. CAP has agreed to be the main player to get the project started.
- Comprehensive Plan Implementation. Staff is continuing to implement the plan as much as possible. A Park Master Plan is scheduled to be completed late summer or early fall.
- Solid Waste Program. Working with Clinco on the program was discussed earlier in the Session.
- Tree Planting. Andrew Carr, working on his Eagle Scout project, has donated and planted 160 trees at the Water Treatment Plant.
